Additional information

Adviser declaration to be completed in all cases

By submitting this mortgage application I, the Intermediary, confirm that:

- The details in this application are submitted on behalf of the applicant(s) named on this form and with their consent.
- I have discussed affordability of this mortgage fully with the applicant(s) and the applicant(s) have been advised of the need to provide accurate details of their income. In my opinion the mortgage loan requested is affordable, based on the income details provided by the applicant(s).
- I have read the NatWest Intermediary Solutions Terms of Business and agree that these Terms will apply to the processing of this application and all related business.

General:

- I/We would like to apply for this mortgage.
- The information supplied in this application is true and complete to the best of my/our knowledge and belief. I/We will tell you if the information changes before the application is finalised.
- I/We agree that should the mortgage proceed to completion, our legal representatives are instructed to repay any existing mortgages from the new mortgage, and reassign any existing life policies to the policy owners and further to register/record the appropriate Deeds of Discharge.
- I/We understand that you will write to each person over the age of 17 (excluding dependants under 26), who occupies the property. You will give them some basic details about the mortgage and ask them to sign a consent form in case they have an interest in the property.

Fees and funds release:

- If this application is approved, where applicable, I/we will pay the valuer's fee for the valuation and all legal costs and expenses incurred in connection with the mortgage and any security granted for the mortgage whether or not such security is ultimately granted in your favour.
- I/We understand that unless we are notified otherwise, the release of funds for further advances, retentions held or other promotional refunds or payments (where applicable) will be made to the account nominated on my/our direct debit mandate.

Enquiries:

- I/We authorise you to make any enquiries you consider necessary for confirmation of the information in this application and for credit assessment and this includes contacting my/our legal representatives, current and former employers, bankers, accountants and landlords where appropriate.
- I/We understand that this may involve obtaining a reference from my/our employer(s) and confirm that the employer information contained in this application may be used for this purpose.
- I/We agree that my/our current lenders may be contacted for the purpose of obtaining the title deeds to the property and details of my/our accounts.

Disclosure of my/our information:

- I/We authorise you to disclose information relating to this application to: (i) anyone who has good reason to know in connection with this application, (ii) you, (iii) other Royal Bank of Scotland Group companies and their employees and agents, (iv) credit reference agencies, (v) any policy holder or the beneficial owner of any other financial or other investment(s) intended by me/us to provide for repayment of the loan and (vi) fraud prevention agencies, who may make the information available to other lenders.
- I/We understand and agree that in connection with this application you may search the files of credit reference agencies and such search(es) will leave a 'footprint' on my/our file, and you may also disclose details of the performance of the account and my/our status to the agencies. These 'footprints' and performance details may be accessed by other financial companies in connection with any applications for credit that I/we make to them.
- I/We consent to you disclosing any information relating to me/us, the loan, the property(ies) and all relevant matters, including copies of any related documentation, to any policy holder or the beneficial owner of any other financial or other investment(s) intended by me/us to provide for repayment of the loan and to any other individual(s) or body(ies) to whom you are required or deem necessary or desirable to disclose such information. I/We agree that the lender may at any time in the future assign or transfer all or any of its rights, benefits, and obligations in respect of the loan, the legal charge/standard security over the property and any other security or property charged to, or available as security for the loan to, any person or body as you may think fit. I/We agree that you may pass financial or other information relating to me/us to any such potential transferee, assignee or other third party and such other third party may rely upon the truth and accuracy of any information or representation made by me/us at my/our request to you.

Affordability:

- I/We can afford the monthly payments (including, if applicable, the monthly payments during the initial interest rate deal period(s) and the monthly payments following the expiry of the initial deal period(s)) after taking account of my/our regular monthly expenditure and other financial commitments. I/We appreciate that interest rates are likely to change and understand that my/our mortgage payments may increase over time. I/We have discussed this with you and are aware that taking on new/additional financial commitments of any kind during the period of the mortgage could affect the ability to pay the mortgage payments as they become due, and that my/our home may be repossessed if I/we fail to maintain the mortgage payments.

How we will use and share your information

We share your information with:

- **other companies in our group**
- **credit reference agencies, so we can:**
 - do a credit check – this can affect your credit score (we don't do one if you're just opening a savings account)
 - do an identity check – this could be done on you and anyone else who's linked to the account, but it doesn't affect your credit score
 - protect you and comply with laws – we must share information about how you manage your account, like payments made in, your balance, credit limits and any missed loan payments. They may also share this with other organisations.
- **fraud prevention agencies**, and we also record any identified or suspected fraud, which could mean we have to refuse to provide you with services
- **our business partners**, like the company that makes our debit and credit cards
- **industry regulators**, government departments and similar organisations, like HM Revenue and Customs, who might in turn have to share it with other countries.

Credit reference and fraud prevention agencies use your information because they have to prevent fraud and money laundering, to protect you, their business and to comply with laws.

What can happen?

We'll make decisions based on the automated checks of data we hold and receive about you. You have rights in relation to these decisions, including a right to appeal if your application is declined. If it's declined, we'll usually keep your information for 5 years or longer if needed to comply with the law.

If you want more details about how we use your information or your rights, you can find our full Privacy Notice on the privacy page on our website.

Confirming your agreement

- By continuing with this application, you confirm that you have read and understood how we may use your information in the ways described above and are happy to proceed.

Marketing information

- RBS would like to keep you informed by letter, phone, email and text message about products, services and offers that we believe may be of interest to you. If you do not wish us to contact you for these purposes, please place a cross in the box.
- RBS will not share your information with third parties for [their own] marketing purposes.

Communications about your account

- Notwithstanding your marketing choices above, we will contact you with information relevant to the operation and maintenance of your account by a variety of means including online banking, mobile banking, email, text message, post and/or telephone.
